

and was lead instructor for the Emergency Vehicle Operation Course.

In 2000, Odetto became the Tiburon Chief of Police, a position he held for six years before his appointment as San Rafael Chief of Police in December 2006. Chief Odetto, firmly committed to maintaining services to San Rafael residents in spite of economic difficulties, guided the Police Department as it confronted newly limited resources. He built partnerships with community groups, solicited support from the private sector, and made community policing a priority. He secured new funding sources to ensure that gaps in resources were covered, eventually providing for the return of the Citizen's Academy program, which introduces the public to the work of the San Rafael Police Department and its law enforcement officers.

Mr. Speaker, I ask you to join me in thanking Chief Odetto for his contributions to Marin County. He has set an admirable standard for compassionate and responsive public service, and we wish him the best in his retirement.

NATIONAL DAY FOR THE
REPUBLIC OF CHINA ON TAIWAN

HON. LYNN A. WESTMORELAND

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Mr. WESTMORELAND. Mr. Speaker, as the Republic of China on Taiwan celebrates the 100th anniversary of their founding, I rise to celebrate their National Day and to commend them for 100 years of progress. As a friend and ally of the United States, the Republic of China on Taiwan is a model for nations around the world: a peaceful and prosperous democracy.

I would like to take a moment and commend the 23 million citizens of Taiwan for their commitment to peace. As a symbol of this commitment, the Republic of China on Taiwan recently melted down artillery shells and used the metal to construct a "peace bell." Given the many struggles and hardships the people of the Republic of China on Taiwan have faced—and the threats they continue to face—they deserve enormous credit for their sustained desire for peace. We celebrate these efforts to maintain good relations with other countries, and the United States is proud to call the Republic of China on Taiwan a partner in peace.

In closing, I hope my colleagues will join me in thanking President Ma, Vice President Siew, and the people of the Republic of China on Taiwan for their continued commitment to peace on this anniversary of their National Day.

INTRODUCTION OF THE FAIR AND
EQUITABLE POSTAL SERVICE ACT

HON. GWEN MOORE

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Ms. MOORE. Mr. Speaker, I am pleased to rise with my colleague from Ohio, MARCIA FUDGE, to introduce the "Fair and Equitable Postal Service Act."

We are all concerned about the fiscal crisis facing the United States Postal Service. This summer, the Postal Service released a list of some 3600 post offices, branches, and stations that are under review for closure or consolidation. According to recent testimony by the Government Accountability Office, as many as 12,000 Postal Service retail facilities may be on the chopping block in the next few years.

While Congress gave the Postal Service authority "to determine the need for post offices, postal and training facilities and equipment, and to provide such offices, facilities . . . as it determines are needed," that same charge also requires that postal services be established "of such character and in such locations, that postal patrons throughout the Nation will . . . have ready access to essential postal service."

The legislation we introduce today would give the Postal Service guidance as it works to balance those obligations in a way that ensures that these closures don't fall on the backs of the most vulnerable. It would require the Postal Service, as it considers closures, to

specifically examine the needs and impacts of its closures on low-income, elderly, and other populations that have the least means to access alternatives because of limited transportation options and internet access.

For these populations, their local offices provide a range of services that they simply may not have the resources or ability to access elsewhere. The need for this bill was only reinforced yesterday with the release of a Census Bureau report which found that the poverty rate increased in 2010. There were 46 million people in poverty last year. If you don't have enough money to pay for food and keep the lights on, what are the chances you have the income to pay for broadband to access postal services online?

Further, this legislation would prevent any closures that would have a "disproportionate, unreasonable, or undue burden on these populations." The impetus for this legislation was the proposal by the Postal Service to close 5 out of the 26 retail facilities in the Milwaukee area. Every one of the facilities under review are located in one portion of the city with high rates of poverty. If approved, these closures would effectively cut off postal services for residents in these communities.

Too often decisions like these are driven by only one consideration: cutting costs. This bill sends a message to the Postal Service that it must consider the challenges faced by these populations when access to postal services is reduced.

The Postal Service is a national service. It's trusted by the American public. It offers services that are a vital lifeline for all Americans at all income levels, ages, and stages in life. Congress mandated a nationwide postal service—not a two-tier system where post offices in high income areas are able to keep their lights on while those in inner-city and rural communities slowly fade away. I urge my colleagues to cosponsor this legislation.

HONORING BECHTEL BWXT IDAHO
LEGACY AT AMWTP

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Mr. SIMPSON. Mr. Speaker, as a representative of Idaho's Second Congressional District and member of the House Energy and Water Development Subcommittee, it gives me great pleasure to recognize Bechtel BWXT Idaho's exemplary eight year legacy at the Advanced Mixed Waste Treatment Project, AMWTP.

Under BBWI's supervision, AMWTP is the United States Department of Energy's most advanced waste treatment facility, safely and compliantly sending more radioactive waste to the DOE Waste Isolation Pilot Plant for permanent disposal than any other site in the DOE Complex.

The excellence of BBWI and its employees shows through numerous awards ranging from the 2005 Department of Energy Electrical Safety Challenge to the multiple National Safety Awards received in 2010. Employees have worked more than 12.4 million hours and 2,839 days without a lost-time injury and have shipped more than 43,718 cubic meters of transuranic, mixed low level, and low level waste.

BBWI is also an active and involved corporate partner to Idaho. Supporting its community through contributions such as civic, cultural arts, and educational organizations, BBWI helps strengthen the fabric of communities and improve the quality of life for Idahoans.

I am proud to represent AMWTP, a leading corporation in Idaho and for other waste treatment sites across the country.

HONORING MR. CLAUDE DOUTHIT FOR HIS LIFETIME DEDICATION TO THE NORTH SHORE ROAD SETTLEMENT

HON. HEATH SHULER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Mr. SHULER. Mr. Speaker, I rise today to honor Mr. Claude Douthit for a life dedicated to helping others in Western North Carolina.

Mr. Claude Douthit, a native of Swain County in Western North Carolina, has dedicated hard work and countless hours into the North Shore Settlement. When the federal government purchased 44,000 acres of North Carolina mountain land and built Fontana Dam on the Little Tennessee River to generate hydroelectric power for the war effort, Mr. Douthit, a Tennessee Valley Authority employee, initially favored the building of the road.

The rising waters of Fontana Lake flooded several small communities, forcing more than 200 families out of their homes expecting the government to follow through on its wartime pledge to build a road they could use to reach abandoned home sites and family cemeteries.

Instead, the government delayed, and thirty years later, only 6.2 miles of pavement and a short tunnel had been built at the eastern tip of Fontana Lake. Convinced that the road would never be finished, Mr. Douthit began working for an alternate solution, a cash settlement for Swain County. In 2000 Mr. Douthit and his wife Jean Douthit helped to organize a group called Citizens for the Economic Future of Swain County, gathering support from a broad coalition of conservationists, parks enthusiasts, environmentalists, public officials, and private organizations.

Mr. Douthit was determined to get a settlement for the county and through his hard work and that of the Citizens for the Economic Future of Swain County, an agreement was finally reached in 2010, with the government agreeing to pay \$52 million to the county. This settlement agreement will guarantee that Swain County has the resources it needs to thrive and grow for decades to come.

It is an honor to represent selfless, hard-working citizens like Mr. Claude Douthit. His devotion to his community is a great source of pride to me and to Western North Carolina. I ask my colleagues to join me today in recognizing Mr. Claude Douthit for his lasting impact on Swain County.

TRIBUTE TO THE HONORABLE RICHARD BERDNİK

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Mr. PASCRELL. Mr. Speaker, I would like to call your attention to the achievements of an outstanding individual, Sheriff Richard Berdnik, who will be recognized by the Central of Polish Organizations of Passaic, Clifton and Vicinity on Saturday, September 17, 2011. Sheriff Berdnik has been selected as the Continent's 2011 Marshal and will lead them in the 74th Annual General Kazimierz Pulaski Memorial Parade in New York City on Sunday, October 2, 2011.

It is only fitting that he be honored in this, the permanent record of the greatest democracy ever known. Richard has been a true public servant, one whose commitment to excellence and integrity has helped to enhance and protect countless lives.

Richard is the son of Bernice and Basil Berdnik, Polish immigrants who endured the hardship of Stalin's gulags. He is a graduate of both the New Jersey State Police Academy and the prestigious National Academy of the FBI.

Sheriff Berdnik's bravery and involvement in the community make him an esteemed individual among his colleagues as well as the citizens he serves. He has been honored with a number of awards; among them The Meritorious Service Medal he received for his quick and efficient response in apprehending criminals. He is also a "Life Saving" Medal recipient, having saved the lives of an elderly person and a child from a burning house.

Sheriff Berdnik is a member of several professional associations, including the FBI National Academy Associates, the New Jersey Honor Legion of Decorated Officers, the Clifton PBA Local 36 and the Passaic County Chiefs of Police Association.

Sheriff Berdnik served as a Police Officer in the City of Clifton for almost 30 years. The knowledge and experience he has acquired has made him not only a great officer, but an outstanding role model to younger police officers. It is his commitment, dedication and ambition that helped him rise through the ranks of the Clifton Police Dept. These same charac-

teristics are what led to his selection as a candidate and his election to the office of Passaic County Sheriff in the November of 2010.

As Sheriff, Richard has been a loyal and energetic leader, and has displayed wisdom and courage in situations requiring strong direction. Sheriff Berdnik demonstrated his leadership during the floods of Hurricane Irene and Tropical Storm Lee. He made Passaic County proud when he recently testified in front of the House Committee on Homeland Security about the need for comprehensive legislation to combat the threat from weapons of mass destruction (WMD).

More than just being a valued leader in the community and honorable public official, he is a beloved husband and father. Richard and his wife, Monica, have been married for over 25 years and have four children: sons, Ryan and Kevin and daughters, Ashley and Alyssa. Ashley is also being honored by the same organization as their Miss Polonia 2011. The Berdnik Family has consistently displayed some of the highest American ideals, among which are courage, determination, and integrity, and I trust he will continue that legacy.

Though the job of a United States Congressman involves much that is rewarding, few experiences compare to meeting, working with and having the honor of recognizing the impressive accomplishments of individuals like Sheriff Richard Berdnik.

Mr. Speaker, I ask that you join our colleagues, the Central of Polish Organizations, the County of Passaic, the Berdnik family, Richard's colleagues and friends in celebrating the great achievements of my friend, Sheriff Richard Berdnik; recognized tonight for his leadership, his loyal service to the public and his celebration of his heritage.
